

# California Fire Safe Council 22 SFA Application Webinar

Presented by:  
Thomas Shumaker  
&  
Becca Joyner

*California's leader in community wildfire risk reduction and resiliency.*

# Agenda

1. Grant Program Overview
2. Federal Grants Basics
3. Environmental Compliance
4. Grant Life Cycle Phases
5. Writing the Application
6. Submittal Requirements
7. Selection and Award Process

# Poll Questions!

*California's leader in community wildfire risk reduction and resiliency.*

# Webinar Logistics

- Please direct your Questions to the Q&A Box
- Recording and FAQ's will be provided on CFSC website
- Resources:
  - Application Guide
  - Application Planning Tool
  - 22 SFA Support Link
  - Links discussed will be provided in the chat

# Acknowledgements

**This grant program and publication are funded in full by the U.S. Forest Service, Pacific Southwest Region under the terms of Grant numbers 21-DG-11052012-140. The opinions expressed are those of the authors and do not necessarily reflect the views of the U.S. Forest Service.**

# Federal Grant Funds

- A successful grant application is more than just a good project proposal.
- Federal grants are subject to the applicable federal rules and regulations (2 CFR 200) and terms and conditions of the program.
- This workshop is to assist you in how to write a competitive grant application while also addressing all the rules and eligibility requirements of the grant program.
- CFSC wants you to be prepared BEFORE submitting the application to receive and manage a federal grant.
- CFSC federal grants are not free money (and you don't have to accept it)

# The Grants Clearinghouse

Created by the California Fire Alliance and CFSC  
Operated by CFSC: Find us Online at  
[www.cafiresafecouncil.org](http://www.cafiresafecouncil.org)

Agencies That Have Traditionally Funded the CFSC the  
Grants Clearinghouse

- U.S. Forest Service
- Bureau of Land Management
- National Park Service
- Fish and Wildlife Service
- State Farm Insurance

*California's leader in community wildfire risk reduction and resiliency.*

# Resources

Found on the CFSC website,

*California's leader in community wildfire risk reduction and resiliency.*

# Important Dates

2022 Grant Application Period Opens	March 1, 2022
Grant Application Training Workshops Online/Zoom	March 2, 4, & 9, 2022
<b>Applications Due Online</b>	<b>April 14, 2022, by 11:59 PM</b>
Preliminary Award Announcements	June 2022

# Program Funding

## **U.S. Forest Service - State Fire Assistance “SFA” Program**

Assisting People and Communities to Moderate the Threat of Catastrophic Fire through:

- Fuel Hazard Mitigation on Non-Federal Land
- Community Hazard Mitigation and Planning
- Prevention and Mitigation Education

# Available Funding

## State Fire Assistance Grant Program

- \$1,175,000 in State Fire Assistance (SFA) grant funds available for 2022 wildfire prevention projects
- \$200,000 maximum on funding requests
- Dollar for Dollar match requirement
- Projects must be located in California or Tahoe Basin region of Nevada
- 24 Month Term Grant

# SFA Program

## Match Requirement

- Dollar for Dollar match (can be cash or in-kind)
  - That means, 50% of project costs come from the federal grant and 50% from the match.
- For example, a \$100,000 request must be matched by \$100,000 from the applicant.

## Application Limit

- \$200,000 maximum request
- 2 application limit per applicant
- *Fiscal Sponsors may submit 2 applications and receive up to \$200,000 plus manage up to \$300,000 for other organizations (up to 3 organizations total).*

# California's Forest and Rangelands

## California's Forest and Rangelands: Assessment 2017, Chapter 11: Reducing Community Wildfire Risk

- Funding requirements (for state agencies) include "...federal funds will be used to implement actions that utilize community wildfire protection plan (CWPP) strategies.

## Connecting your Application Project to the 2017 Assessment

- Community Wildfire Protection Plans already exist throughout most of California. Check with Cal Fire or your local government fire agency to see if one exists for your community.

# Types of Projects

## Prevention Education and Outreach Project Examples

- Defensible space education
- Door-to-door community outreach
- Creating/Disseminating outreach products, such as pamphlets, posters, mailings, billboards, videos, etc.
- Hosting educational workshops and training. (it's a good idea to include some funds in your budget for advertising and refreshments.)

# Types of Projects

## **Community Hazard Mitigation and Planning Project Examples**

- Developing a Community Wildfire Protection Plan (CWPP) or equivalent plan that focuses on communities-at-risk (CAR) and/or at-risk communities adjacent to federal land and incorporating federal projects
- Conducting community risk and/or hazard assessments, including those needed for the Firewise Communities program.

# Types of Projects

## Fuel Hazard Mitigation Project Examples

- Chipper programs: community-wide and/or curbside services
- Community protection fuel breaks and vegetation thinning projects
- Prescribed burning
- Fuel reductions delivering biomass to markets
- Maintenance of previous fuel reduction projects

*California's leader in community wildfire risk reduction and resiliency.*

# Eligibility

Projects must be located in California or Tahoe Basin region of Nevada. **Individuals are not eligible to apply!**

Eligible Organizations:

- Nonprofit Organizations
- HOA/POAs
- Native American Tribes
- Resource Conservation Districts
- Towns and Cities
- Institutions of Higher Learning
- For-Profit Companies
- Special Districts
- School Districts
- Counties
- State Agencies

*California's leader in community wildfire risk reduction and resiliency.*

# Do you need a fiscal sponsor?

## **Role of Fiscal Sponsor:**

- Act on behalf of an applicant organization that is not incorporated or does not have the organizational capacity to receive federal grant funds
- Assume legal responsibility for the management of grant funds
- Signing the Subaward Agreement
- Receiving the Grant Funds
- Full Accounting Services
- Prepare Reports
- Project Management
- Bid Solicitation and Contracting
- Processing Invoices or Work Orders

## Federal Government

- Congress/President
- Department/Agency

## Recipient/ Pass-through

- CFSC: Grantee of the Federal Agency and Pass-through Organization

## Subrecipient

- Applicant Organization
- Fiscal Sponsor, if applicable

**YOU!**

## Beneficiaries

- The public and specific groups that are supported by the grant activities

# Role of the Subrecipient: Project Implementation

- Accomplish the grant objectives
- Implement the project as approved
  - Work with contractors, vendors, etc.
- Monitor and track accomplishments and progress
  - Before/after photos

# Proper Grant Management for Awarded Projects

- Follow all grant requirements
- Provide accurate, complete, and timely reports
- Meet all deadlines
- Document, document, document!!
  - Expenses and Match
- Keep complete accounting records until notified from CFSC (3 years after master grant closeout)

# Capacity Considerations

- Does your organization have the capacity to manage the project and the grant funds in accordance with federal regulations?
- Does your financial management system meet federal requirements?
- Do you have the necessary project management and technical expertise, or can you get it?
- Have you successfully completed similar projects?
- Do you need a Fiscal Sponsor?
- Can you handle the added workload?

# Federal Grant Rules

## Federal grant funds may only be used in accordance with:

- Code of Federal Regulation (2 CFR 200)
- *Office of Management and Budget (OMB) policies.*
- Regulations provide detailed guidance on how you must manage your grant funds and project activities.
- There are consequences for not complying with the federal regulations – *including repayment of the grant funds!*
- **READ** the regulations that apply to your organization *before* you decide to apply for a grant

# Written Policies

Financial and Accounting: protect the grant funds; determine allow-ability; maintain accurate documentation

Personnel: proper time and effort reporting (for employees and volunteers); consistent, allowable charges

Procurement/Purchasing: solicitation of services and goods; avoid unnecessary purchasing; allowability of costs

Property Management: safeguard equipment; how to acquire/dispose of property

Travel: reimbursement/approval of travel; mileage

Conflict of Interest: procedure for handling conflicts; address Board and Staff

# Debarment and Suspension:

Certain parties who are debarred, suspended or otherwise excluded **may not** be participants or principals in Federal assistance awards and sub awards, and in certain contracts under those awards and sub awards.

- Check your own organization *and* contractors
- Search for records at <https://www.sam.gov/>

# Cost Principles

- Allowable
- Allocable
- Reasonable
- Necessary
- Verifiable

# Example of Cost Principle

Compensation for personnel services is allowable if:

- It is reasonable for the services rendered,
- It Conforms to the established policy of the organization/agency and is consistently applied to both Federal and non-Federal activities
- It is determined by and supported with documentation as provided by the applicable cost principles.

*Documentation for these costs must meet the federal standards (2CFR 200.430), which may be different from time-keeping and activity tracking procedures of your organization*

# Grant Funds and Matching Contributions

Grant funds are provided to the CFSC via a master grant from a funding agency.

Matching contributions are cash or in-kind goods or services that come from non-federal sources.

# Matching Contributions

**All matching contributions must meet ALL of the following criteria in order to be accepted:**

- Are verifiable from the recipient's records.
- Are not included as contributions for any other federally-assisted project or program.
- Are necessary and reasonable for proper and efficient accomplishment of project or program objectives and allocable under 2 CFR 200
- Are allowable under applicable cost principles in 2 CFR 200 Subpart E (200.402-200.411)
- Are not paid by the Federal Government under another award

# Federal Environmental Compliance Requirements for 2022 SFA Grants

- **All Projects must be reviewed for compliance with the following federal environmental regulations:**
  - Endangered Species Act (ESA)
  - Migratory Bird Treaty Act (MBTA)
  - National Historic Preservation Act (NHPA)
  - Bald and Golden Eagle Protection Act (BGEPA)
- **CFSC uses a Registered Professional Forester contractor for the federal review**
  - If funded, you may be contacted by Able Forestry

# State and Local Environmental Regulations May Apply

## Examples:

- California Environmental Quality Act (CEQA)
- California Endangered Species Act (CESA)
- Local tree ordinances
- Air quality/smoke permit requirements

# Consider Consulting with a Registered Professional Forester

## Management of Forested Landscapes:

- RPFs are licensed by the state
- RPF involvement is required when managing forested landscapes

## RPFs Can Assist With:

- Prescriptions for treatment
- Sale of forest products
- Environmental surveys
- Site considerations like water quality and soil protection

# Fuel Treatment Project Environmental Considerations

- Aesthetics
- Air Quality
- Biological Resources and time of year
- Cultural Resources
- Geology and Soil
- Hazards and Hazardous Materials
- Water Quality
- Noise
- Maintenance type and interval

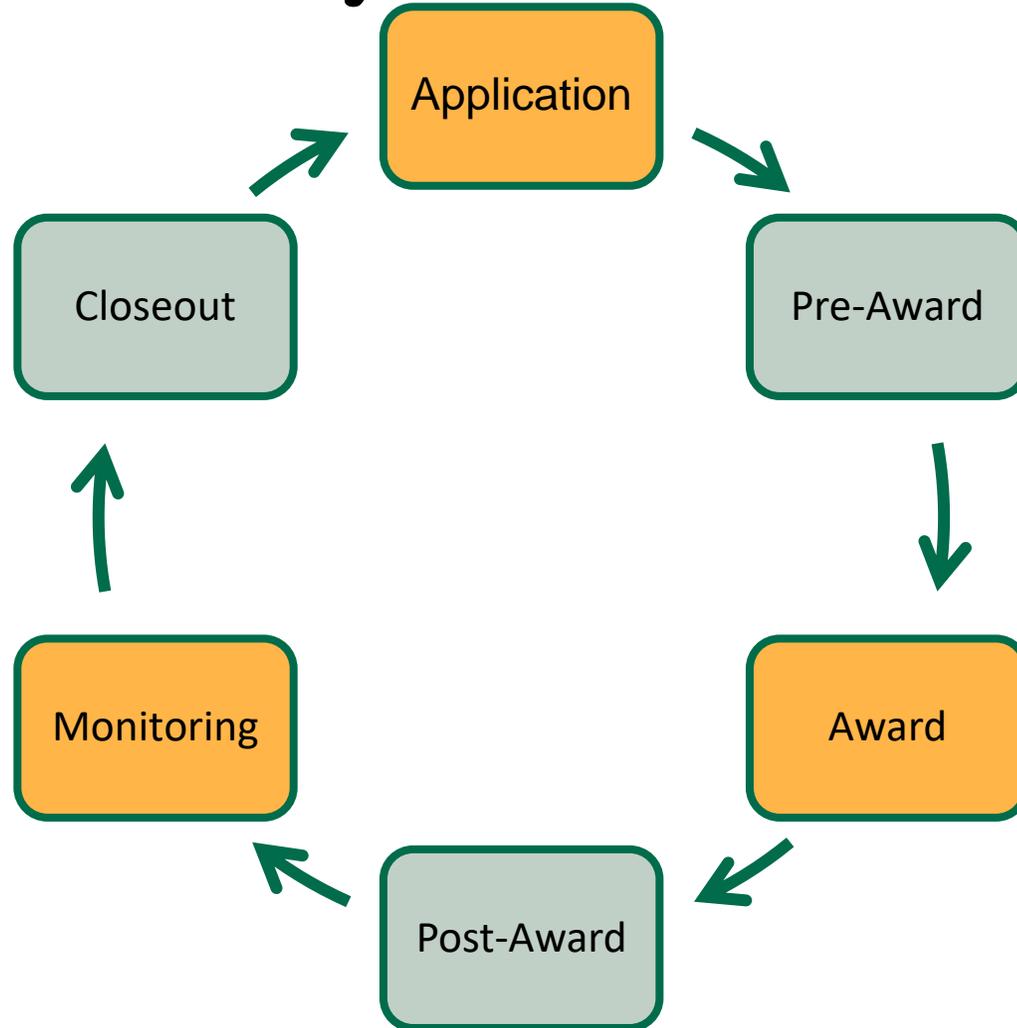

# Environmental Compliance Budgeting and Grant Implementation

- **Approved grant-funded work or match cannot begin until they received clearance**
  - Funds may be requested for environmental surveys and other non-vegetation treatment activities
  - Project areas may include species, habitats, cultural resources, or historical sites that require special protection
  - Record Searches or Surveys may be required prior to the project implementation
  - Include the potential costs in your application budget

# The Grant Lifecycle

*California's leader in community wildfire risk reduction and resiliency.*

# Application Phase

## Preparation

- Attend Grant Application Workshop
- Evaluate Organizational Capacity
- Policies and Procedures
- Financial & Business Systems
- Plan Project and Budget

## Submission

- Complete Application Package
- Application Form
- Letters of Commitment
- Fiscal Sponsor Agreement (if applicable)
- Maps
- Federal indirect cost rate approval (if applicable)
- Submit by the Deadline – April 14, 2022, by 11:59 PM

# Pre-award Phase

## **Project review**

- Initial Screening for completeness
- Independent Review Committee scoring and recommends to CFSC Board
- CFSC Board reviews and ratifies list of projects

## **Risk assessment**

- Complete Pre-Award Report
- Submit required documents and maps
- Undergo organizational capacity risk assessment
- Complete revised application, if necessary
- Review and sign subaward agreement

# Post-award Phase

**If your project is approved the next step is –  
Project Implementation**

- Environmental Compliance Review
- Select Contractors, Vendors, etc.
- Complete Project Tasks
- Monitor and Track Project Accomplishments & Progress
- Before, During, and After Photos
- Grant Specialist Site Visit

# Post-award Phase

## Proper grant management tips for approved applications during the grant term:

- Request and Receive Grant Payments
- Submit completed Quarterly Reports ***on time***
- Progress reports and Match/Expense reports
- Track all expenditures and match contributions
- Renew annually organizational information
- Insurance, CAGE number, SAM registration
- Document, document, document!!
- Maintain an organized grant file

# Closeout Phase

## **Grant Closeout items for awarded projects:**

- Complete final Progress Report
- Complete Closeout Report
- Submit required documents
- Return unspent funds and excess interest
- Success Stories
- Confidential Questionnaire

***Awarded projects must retain grant file until three years after CFSC's master grant closes.***

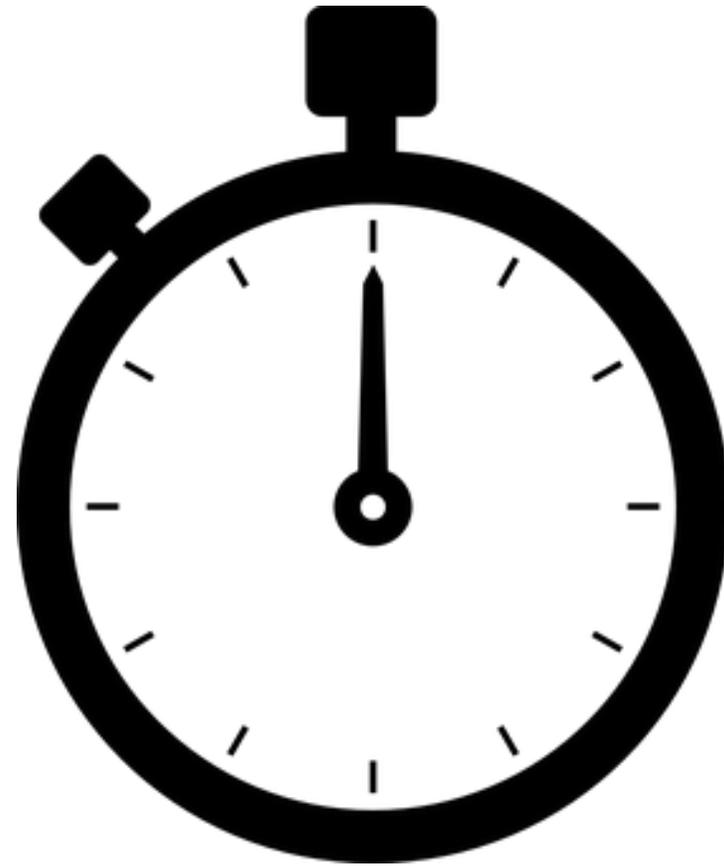

# Before You Apply, Please Keep in Mind:

- There are many rules and regulations that govern the use of federal grant funds!
- Your agency will have to abide by ALL of the applicable federal grant regulations if your agency accepts the funds!
- It is *your* agency's responsibility to review and abide by all of the regulations governing the grant.

# Break Time

*California's leader in community wildfire risk reduction and resiliency.*

# Writing the Application

# Writing the Application

- ZoomGrants Overview & Introduction
- Completing your application in ZoomGrants
- Best Practices
- Next steps
- Resources
  - Application Planning Tool
  - 22 SFA Support Link

# Create a ZoomGrants Account

- Navigate to our CFSC website first. Once you've selected the application within the account set up, you can login directly through zoomgrants.com
- When you select the ZoomGrants login option, you will see this screen. You can "preview" the grant program announcement and create a new account.
- You must create an account first to begin a grant application.

A screenshot of the ZoomGrants website interface. A green callout box with a white arrow points to the login fields, containing the text "Log in to your account here or create a new account below". The interface shows a login form with fields for "Existing ZoomGrants™ Users: Email" and "Password", a "Login" button, and a "Stay logged in? (Admins and Reviewers only)" checkbox. Below the login form is a search bar with a "Search" button. A second green callout box with a white arrow points to the "New ZoomGrants™ Account" section, which contains fields for "Email", "Password", "First Name", and "Last Name", and a radio button for "Account Type" with "Organization" selected. The main content area shows "Open Programs" for the "California Fire Safe Council" with a message: "You must be logged in to start a new application." Below this is a program listing for "21 USFS-SFA Grant Program" with "Apply" and "Preview" buttons. A "How do I do this?" link is also visible.

Log in to your account here or create a new account below

# ZoomGrants: My Account Home

## Your ZoomGrants Clearinghouse Account

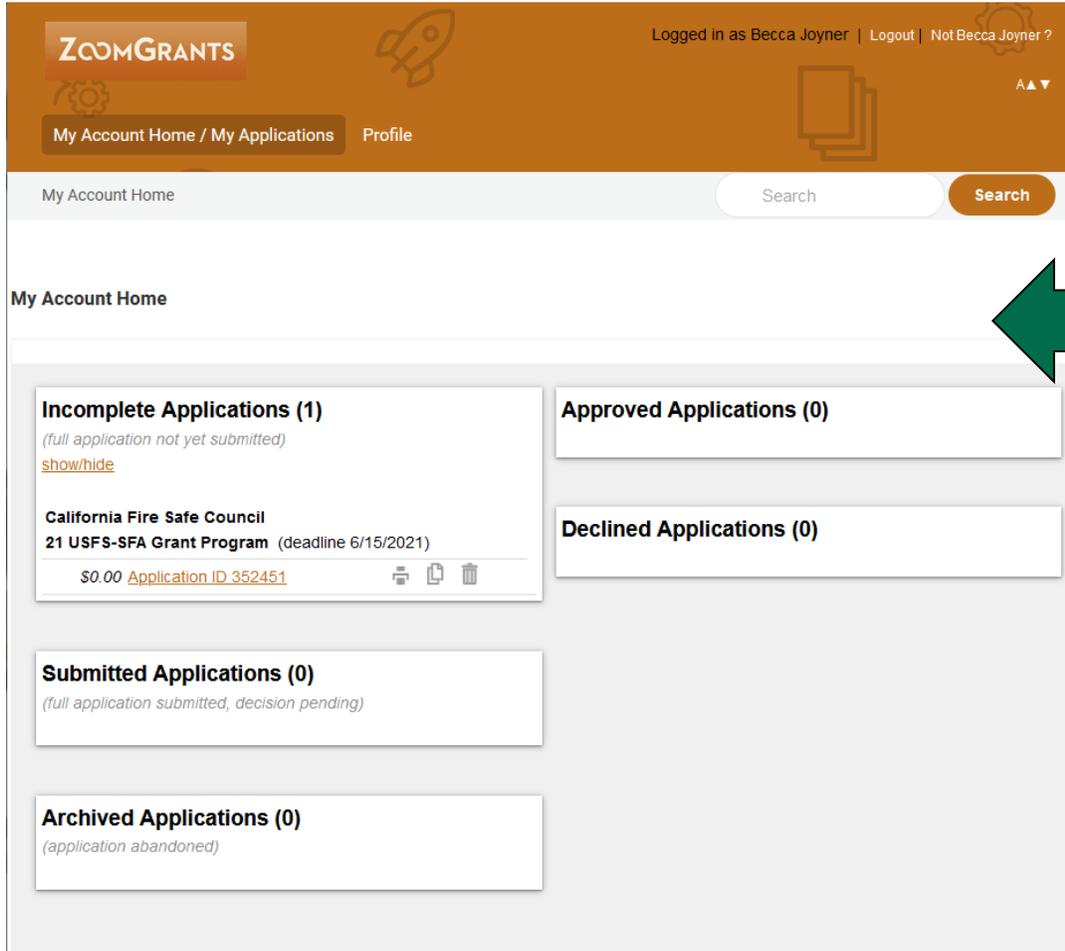

- There are two views available in your account: Your Account Profile and Your Applications. Please complete your account profile before working on applications

## Start an Application

- To start a new application, select the “Open Programs” tab and you will see the 2022 Grants Clearinghouse SFA
- Select the hyperlinked text to start a new application

# Intro to ZoomGrants:

A screenshot of the ZoomGrants web application interface. The top navigation bar is orange and contains the "ZOOMGRANTS" logo, a rocket icon, and the text "Logged in as Becca Joyner | Logout | Not Becca Joyner?". Below the navigation bar is a breadcrumb trail: "My Account Home / My Applications Profile". A search bar is located on the right side of the page. The main content area is titled "My Account Home" and displays several application status categories: "Incomplete Applications (1)" with a sub-note "(full application not yet submitted)" and a "show/hide" link; "Approved Applications (0)"; "Declined Applications (0)"; "Submitted Applications (0)" with a sub-note "(full application submitted, decision pending)"; and "Archived Applications (0)" with a sub-note "(application abandoned)". The "Incomplete Applications" section shows a specific application: "California Fire Safe Council 21 USFS-SFA Grant Program (deadline 6/15/2021)" with a value of "\$0.00" and "Application ID 352451".

Click the "My Account Home" button for other applications in your account

*Additional Contacts will be copied on all emails sent to the application owner regarding this application. Enter ONLY email addresses separated by a comma. No names. No titles. No phone numbers.*

# Tab 2: Organizational Capacity

## **Organizational Capacity:**

- Multiple people involved
- Roles & Responsibilities
- Processes and separation of duties

## **History & Accomplishments:**

- Ability to complete target objectives
- Ability to manage a project start to finish

# Tab 3: Project Information

## Project Narrative

- Identify the problem
- Describe the project activities
- How do the activities address the problem

## Tab 3: Public Engagement & Sustainability

- Outreach Efforts To Engage The Public
- Promotion Of Community Investment During and After The Grant
- How Will The Project Accomplishments Be Maintained

*California's leader in community wildfire risk reduction and resiliency.*

# Tab 3: Community Impacts

## **Communities Affected:**

- "Communities at risk" designation
- Other communities affected
- Firewise communities

## **Political Boundaries**

- Congressional District, Senate, State Assembly and the County your project is located within
- Federal Land Adjacency

## **Staffing:**

- Employees
- Contractors

# Tab 3: Cohesive Strategy

## Connecting your Project to the Cohesive Strategy

The Cohesive Strategy addresses the nation's wildfire problems by focusing on three key areas (listed below). Explain how your project will advance these three key areas:

- Restore & Maintain Resilient Landscapes: Landscapes across all jurisdictions are resilient to fire-related disturbances in accordance with management objectives.
- Fire Adapted Communities: Human populations and infrastructure can withstand a wildfire without loss of life and property. More information on the next slide.
- Wildfire Response: All jurisdictions participate in making and implementing safe, effective, efficient risk-based wildfire management decisions.

# Tab 3: Building a Fire Adapted Community

*California's leader in community wildfire risk reduction and resiliency.*

# Tab 3: California Forest Action Plan

**Priority Landscapes :Conserve, Protect, Enhance**

*California's leader in community wildfire risk reduction and resiliency.*

# Tab 3: Location and Condition of Project Area

**Fire Hazard Severity Zone**

**Fire Regime**

**Latitude and Longitude**

- Use a GPS or find your project location on a mapping website

# Project Location Survey

Once the Project Location Survey has been submitted, sign and date this document. Then, upload the signed certification with your 22 SFA Application.

## 22 SFA Project Location Survey

### How-To Submit the Survey:

- Download the map guide from the Documents Tab in your ZoomGrants application.
- Follow the survey link in your 22 SFA ZoomGrants Application
- Enter your Organization Project name.
  - NOTE: Both the Organization and Project names **must** match the names in your 22 SFA ZoomGrants Application.
- Enter in your zip code or use the Find My Location button to go to your current location.
- Place the pin as close to the center of your project area as possible.
- Submit your project location survey.
- Sign and upload this document into the Documents Tab in your 22 SFA ZoomGrants Account.

By signing below you acknowledge that you have successfully submitted the Project Location Survey for your 22 SFA Application.

X

# Project Location Survey

- A project location map is required for all projects. Provide the organization name, project title and identifying markers to show the county or regional area of the project.
- Additional detailed maps will be required for selected applications during the pre- award phase.

### 22 SFA Project Location

Description content for the survey

**Organization\***  
It must match your ZoomGrant submission.

**Project Name\***  
It must match your ZoomGrant submission.

**Project Location\***  
Identify the general project location on the map below.

Esri, USGS | Esri, FAO, NOAA Powered by Esri

No geometry captured yet.

Submit

## Tab 3: Fuels Treatment & Project Information

- Describe the vegetation type at the treatment site
- Describe the planned vegetation treatment in detail
- Describe the pre- and post-treatment site
- If the project will generate biomass what type and quantity, and how is it being used?

# Tab 3: Fuels Treatment & Project Information

**Number of fuels treatment projects will be completed with this grant:**

- Count by unique project
- Describe the method used to calculate this number
- Total acreage of the project area

# Tab 4: Tables

## Work Plan

### Sequential Task/Activity

- A sequence of major activities needed to complete the project

### Timeframe (in months)

- Representing the span of time needed to complete the project

### Responsible Party

- Applicant and cooperator roles are identified

### Expected Outcome/Result (Deliverables)

- There are defined objectives for the project

# Tab 4: Project Deliverables

## How to report deliverables:

- Enter Projected Quantity and Associated Cost for:
  - Federal Grant Funded
  - Match Funded

## Note: Enter whole numbers ONLY:

- No decimals or cents

# Tab 4: Types of Project Deliverables

## **Community assessment wildfire planning**

- Community Risk Assessment
- Community Wildfire Protection Plan
- Fire Management Plan

## **Information/Education**

- Outreach/Education Programs (includes workshops)
- Education/Information Products

# Tab 4: Project Deliverables

## **Hazardous fuel treatment deliverables**

### Preparation for Treatment:

- Activities undertaken to prepare the area for fuels treatment

### Mechanical Treatment:

- Work that removes or modifies fuel and vegetation

### Prescribed Fire:

- To attain planned resource management objectives

### Other Treatment:

- Using chemicals and/or biological methods like grazing

# Budget Detail

**List individual budget items under these cost categories:**

- Personnel
- Fringe Benefits
- Travel
- Equipment (items > \$5,000/unit)
- Supplies
- Contractual
- Other
- Indirect costs

# Indirect Costs

If your organization has a federally approved indirect cost rate, this rate may be included as a federal cost in your grant application budget. If you have an approved rate but do not intend to charge that rate as a federal cost to your grant, you may use the rate as match.

# Matching Contributions

## Match items are:

- Cash or in-kind
- From the applicant or third parties
- Listed in the budget and have a letter of commitment
- Conform to grant rules (OMB guidelines)
- Allowable and relevant to the grant funded project
- Verifiable (documentation will be required)
- Not counted as match for another federal grant
- Not from a federal source

# Match:

## 49. Match Amount By All Organizations

### MATCH AMOUNTS BY ALL ORGANIZATIONS

- Applicants are required to contribute dollar for dollar match.
- Match amounts must align with the Budget Detail.
- Use whole dollars only (no cents).
- Refer to the grant application handbook for details on eligible match and contact a CFSC grant specialist for assistance.

### Match Information Guidelines

#### Organization Name:

- Enter the official name of the organization, agency or person contributing match to the project.

#### Cost Category:

- Select the cost category(ies) for the match contribution. May be more than one cost category if the contributor is providing multiple types of support.

#### Type of Match

- Select in-kind or cash. In-kind refers to donated time, goods, or services whose value is calculated as match. Cash refers to actually money (dollars) given to complete the project.

#### Amount

- Enter the amount of match provided. Use whole dollars only (no cents).

Name of Match Contributor (Organization, agency, or person)	Cost Category(ies)	Type of Match	Amount (\$)
1			\$
2			\$
3			\$
4			\$
5			\$
6			\$
7			\$
<b>Total</b>		<b>0</b>	<b>\$ 0</b>

# Tab 5: Documents

## Document Tab

- Under the documents tab in the application is where you will upload your letters of commitment and your fiscal sponsor agreement if you have a fiscal sponsor.
- Choose the “upload button” and navigate to the file on your computer.

## The following Documents are required as part of the application:

- Letters of Commitment and Letters of Commitment Cover Letter
- Project Location Survey Certification
- Fiscal Sponsor Agreement (If Applicable)
- Indirect Cost Rate Agreement (If using indirect rate approved by Cognizant Agency)

## Uploading Documents to ZoomGrants

- Use the file upload option only. Do not use a link to an external location.

*California's leader in community wildfire risk reduction and resiliency.*

# Fiscal Sponsor Agreements

For those groups using a fiscal sponsor, **the signed fiscal sponsor agreement must be submitted with your application.** The agreement will define:

- The fiscal sponsor's responsibility to manage the grant funds
- Communication between the fiscal sponsor and applicant
- The process for reimbursement or payment of grant expenses
- The role each organizations will have in managing the project
- How grant documentation will be collected and stored
- Who will complete grant related reports

# Letters of Commitment

**Letters of Commitment (LOCs) are required from all contributors of cash or in-kind match:**

- **Must** be uploaded with your grant application on ZoomGrants.
- **Must** be on organizational letterhead or as an email with organizational identification (such as logo)

**LOCs Must Include:**

- A description and dollar value of the match provided and how it relates to the project
- Contributor contact information
- Timing of match provided
- Type of match (cash or in-kind)
- Signature of an appropriate organization representative

# Uploading Documents into ZoomGrants

Use the file upload option only. **Do not use a link to an external location.**

Individual files must be less than 4 MB to be accepted by the ZoomGrants site.

A screenshot of a web browser window titled "File Upload Window - Mozilla Firefox". The address bar shows the URL: "https://zoomgrants.com/fileup.asp?go=y&propid=35991&rfpid=649&doctype=proposal&docrequestid=!". The page header includes the "ZCOMGRANTS" logo and "Close Window" and "Help" buttons. The main content area is titled "File Upload Window" and contains a form for uploading documents. The form includes a "Document Requested" field with the text "Letters of Commitment: Submit letters of commitment (LOC) from all organizations providing matching contribution to the project, including the applicant and fiscal sponsor." and an "Uploaded Document\*" field with the value "-none-". The form has three main sections: 1. "File description" with a text input field and the example "(e.g. IRS Letter, Financials, etc.)". 2. "Type of attachment" with two radio buttons: "File Upload (file size limited to 4MB each)" (selected) and "Link to File (YouTube, Dropbox, cloud storage, webserver, etc.)". 3. "Select a file to upload" with a "Browse..." button and the text "No file selected.". Below this section, there are instructions: "No ' ' or ' ' allowed in filenames. Be sure to include the file extension. File size is limited to 4MB. Supported file extensions: .DOC, .XLS, .DOCX, .DOCM, .XLSX, .TXT, .RTF, .WPS, .SXW, .ODT, .TAB, .CSV, .WKS, .SXC, .ODS, .PPT, .PPS, .SXI, .ODP, .PDF, .GIF, .JPG, .PNG, .MW, .WAV, .AIF, .MP3, .MP4, .MID, .MPG, .MOV, .WMV, .RM, .JPEG, .SHP, .SHX, .DBF, .KML, .KMZ". At the bottom of the form, there is a "Document type" field with the value "PROPOSAL DOCUMENT" and an "Upload Now" button. Below the form, there is a note: "Be sure to verify that your upload was successful by testing the link to download your file after this page reloads." and a disclaimer: "\* ZoomGrants™ is not responsible for the content of uploaded or linked documents."

# Uploading Documents into ZoomGrants

The following documents must be uploaded and submitted with the grant application via ZoomGrants in order for the application to be considered complete and eligible:

## Letters of Commitment

- Letters of Commitment are uploaded here and are part of the application. Please include the name of the contributing organization in the file description.

## Fiscal Sponsor Agreement (if applicable)

- If your organization is applying with a fiscal sponsor, attach a copy of the fiscal sponsor agreement signed by all parties. This is part of the grant application.

At the bottom of the form is an "Upload Now" button. A footer note states: "Be sure to verify that your upload was successful by testing the link to download your file after this page reloads." and a disclaimer: "\* ZoomGrants™ is not responsible for the content of uploaded or linked documents."

# Checking for Errors

## Submitting and Error Check

- When every tab is complete, click the “Submit Now” button. The system will perform an error check and list the questions that are incomplete or have errors.
- Scroll down past the questions to correct the errors. The questions with errors will also be highlighted in red.
- Once you have fixed the errors, click the “Refresh Page” button and the system will re-check all your answers again.

# Submitting the application

- After all the errors have been fixed and you have refreshed the page, you'll see this screen where you'll be prompted to enter your initials and select the "Submit Now" button.
- By entering your initials, you certify that this application truthfully and accurately represents your request and is hereby submitted for review. Submission of this application does not, in any way, guarantee that you will receive funding. Submission of this application also indicates your agreement to the terms of using ZoomGrants.

A screenshot of the California Fire Safe Council's online application submission interface. The page is titled "2015 Grants Clearinghouse Program" and shows a "2015 Test Application" for \$200,000.00. A green arrow points from the text in the first bullet point to the "Submit Now" button on the page. The page includes a "Submit Now" button, a "Print/Preview" button, and a "Submit Now" button in a separate section. The page also features a "Project Description" section with radio buttons for "Education only", "Fuel Treatment only", "Planning only", and "Education and Fuel Treatment".

*California's leader in community wildfire risk reduction and resiliency.*

# Application Submission Confirmation

## Application Submitted

- Once you have successfully completed the application, you will receive a confirmation message.
- There will also be a timestamp of the date and time the application was submitted where the “Submit Now” button was.

A screenshot of a web application interface showing a confirmation message for a submitted application. The page title is "2017 SFA Clearinghouse" with a "CLOSED" status and a "Deadline 5/12/2017". The application is for "Sutter Creek Fire Safe Council" with the project name "Churn and burn" and a requested amount of "\$ 200,000.00". The application status is "Submitted" with a timestamp of "Submitted: 3/29/2017 3:24:42 PM (Pacific)". A green arrow points to the timestamp. The page also includes sections for "Application Snapshot", "Applicant Information", and "Organization Information".

Application Snapshot	
Project Name	Churn and burn
Amount Requested	\$ 200000
Match Amount	\$ 200000

Applicant Information	
First Name	Grant Coordinator
Last Name	Abby Smith
Telephone	510-699-5252
Email	gardneress@yahoo.com

Organization Information	
Organization Name	Sutter Creek Fire Safe Council
Address 1	P.O. Box 1774

# Viewing Submitted Applications

## Application Status

- If you have an application in progress, select the “Incomplete” tab to continue work. Your incomplete applications will be shown by application ID number until they are given a name.
- If you have submitted one and want to review it, select the “Submitted” tab.
- On the account “Home Page” you have the option to “Print” or “Archive” applications.

# Things You Can Do To Submit Successfully:

- Use the Application Guide!
- Determine what you need to do and make a schedule
- Make sure cooperators understand their roles
- Identify match sources and obtain “Letters of Commitment”
- Check to see that the application responses are consistent
- Ask others to proofread your application
- Evaluate your application based on the scoring criteria
- Contact CFSC for assistance (early)
- Don’t wait until the last minute!
- Make sure the application is complete and is **submitted on time**

# Phase 1: Application Review

## Initial Screening

- Application submitted on time & complete.
- Applicant organization is eligible.
- Application is 1 of 2 maximum.
- Grant amount requested on application(s) does not exceed maximum allowable.
- Letters of Commitment are complete and properly uploaded.
- Match amounts in LOCs are consistent with budget.
- A fiscal sponsor agreement and map was submitted (*if applicable*).
- If proposing to purchase equipment, applicant contacted a CFSC grant specialist and submitted the required cost-benefit analysis via email.
- Budgeted costs are allowable, and figures are consistent with the funding request amount.
- Deliverable costs are consistent with the budget totals.

*California's leader in community wildfire risk reduction and resiliency.*

# Phase 1: Application Review

## Review Committee

Applications passing initial screening will be reviewed and scored by the volunteer Grant Review Committee.

The Committee is a panel of experts in wildfire issues and application review and selection. This Committee recommends projects for funding to the CFSC Board of Directors.

## Phase 2: Organizational Capacity & Risk Assessment

- Complete Pre-Award Report
- Submit required organizational documents
- Self-certify organization's written policies and procedures
- Sign and submit required certifications and assurances
- Undergo interview with CFSC on organizational capacity
