California Fire Safe Council (CFSC) is pleased to announce 14 Community Capacity-Building Grant Program awards, across California. In total, CFSC will award \$280,000 to these 14 sub-recipients.

Awarded grants will support capacity building, including salary support, volunteer management, and media messaging and communication development. Grants will be awarded in the amount of \$20,000.

Please see the map below for the 2022 Community Capacity-Building Grant Program recipient names and locations.

Thank you to all applicants for your efforts and commitment to wildfire preparedness, coordination, and collaboration. We are looking forward to working toward our shared vision of a more fire-resilient California!

Funding for this grant program is provided by Edison International, the California Department of Conservation as part of the Regional Forest and Fire Capacity Program, and the California Fire Safe Council.
